What Our Attendees are Saying

The experiences and connections made at VITAL leave a lasting impact on health care leaders across the nation. Here's what some of our attendees had to say about their time at the conference:

I loved networking with colleagues from across the country who face the same challenges and the opportunities to exchange ideas.

I loved meeting other health systems with similar missions and dedication to care for the health and well-being of EVERY individual in the communities served with the highest level of care.

*"It was exciting, timely, informative, provocative.
It made me energized to get more things done!"*

Make Connections at VITAL2026

“It was uplifting to connect physically and ideologically with hospital leaders who are in the same boat—meaning that we are kindred spirits who share the realities of navigating turbulent health care waters, with limited resources, all while drawing upon innovative, inspired, and strategic actions to attain success. I left the conference feeling even more energized and optimistic about the potential for essential hospitals to thrive.”
